About ADA University

ADA University is a world-class university dedicated to preparing innovative global leaders in a thriving environment. The University is a state higher education institution engaged in the delivery of undergraduate and graduate degree programs in addition to the advancement of research. ADA University includes four schools School of Public and International Affairs, School of Business, School of Information Technologies & Engineering, and School of Education.

Mission

Our mission is to cultivate highly intellectual solution providers who are closely collaborating, efficiently communicating members of the global community, possessing ethics and a sense of citizenship.

Vision

We continually strive to be a world-class university in Azerbaijan with the excellence of “müəllim and alim” embedded into an innovative learning culture.

Diversity

With students, faculty, and staff from 46 countries around the world, diversity illustrates one of our core values. International representation creates a stimulating environment and learning happens everywhere around us.

Location

Baku and ADA University are both a living laboratory at the crossroads of the ancient Silk Road, where East meets West. Conveniently located in central Baku, ADA University was conceptualized as “From Exchange of Goods to Exchange of Ideas”. In this thriving, cosmopolitan city and university, students feel they are part of a groundbreaking, transformational change in Azerbaijan as ADA University quickly becomes a new element in national identity and on the international map. ADA thrives in concert with this capital city of Azerbaijan.

ADA University offers the following programs:
