

About Us

Extramus is an Italian non-profit organization for International Mobility that promotes traineeships and partnerships in Europe through a worldwide network of partners since 2019.

We formed on the basis of extensive expertise in European vocational training activities.

Our main goal is to build an international and professional mindset within the Erasmus context in order to prepare our trainees for a better tomorrow.

Our Departments

These are the departments that trainees can join in our company:

Over 100 trainees from
over 22 countries

32

Cooperating with more than 32
universities in Europe

8

6 ongoing projects in different fields and 2
ongoing European project

**Extramus ,
more than Erasmus!**

Besides real job experience, we offer our trainees cultural activities, occasional excursions, and free language courses. Our aim is to provide them a multidimensional Erasmus experience. The activities that we arrange have a significant impact on our young team to enhance their motivation.

Our trainees work on real projects in a friendly and international work environment. This experience can contribute to their future career path.
