## II. COMMITMENT OF THE THREE PARTIES

By signing<sup>5</sup> this document, the staff member, the sending institution and the receiving institution or organisation confirm that they approve the proposed mobility agreement.

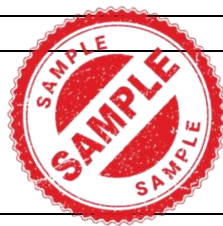

The sending higher education institution supports the staff mobility as part of its modernisation and internationalisation strategy and will recognise it as a component in any evaluation or assessment of the staff member.

The staff member will share their experience, in particular its impact on their professional development and on the sending higher education institution, as a source of inspiration to others.

In the case of staff mobility for research purposes: after the mobility period, the lecturer/researcher must prepare a research report, which includes the activities and results of the mobility period.

The staff member and the beneficiary organisation commit to the requirements set out in the grant agreement and in the Implementation Guide of the Pannónia Scholarship Programme.

The staff member and the receiving institution or organisation will communicate to the sending institution any problems or changes regarding the proposed mobility programme or mobility period.
