1. Requests menu option

The screenshot shows a user interface for a university portal. At the top, there is a navigation bar with a 'Menu' button, a search bar labeled 'Menu search', and a user profile for 'George Example (POGIUK) Business Administration and Managem...' with a '313' notification badge. A sidebar menu is open, listing various options: Favourites, Home, Calendar, Studies, Subject, Exams, Finances, Community spaces, Administration, and Information. The 'Administration' option is expanded, showing a sub-menu with the following items: Administration main menu, Term registration, Requests (highlighted in blue), Request judgement, Dormitory application, Questionnaires, Recategorization request, Student Card request, Student loan request, and Erasmus. In the background, a dashboard is visible with cards for 'Vulnerability', 'To do', 'Exams', 'Averages', 'News', and 'Debts'.

2. Fill request

The screenshot shows the 'Requests' page in the university portal. The breadcrumb navigation is 'Administration > Requests'. The page title is 'Requests'. Below the title, there are four cards representing different request categories:

- Request Fill**: Complete list of available requests. 16 requests.
- Started**: Requests that have been abandoned but can be resumed. 0 requests.
- Returned for repair**: Requests returned by the institution to rectify deficiencies. 0 requests.
- Submitted requests**: Requests in progress or pending. 14 requests.
